

BISON

HIGH TEMPERATURE LED BULKHEAD

Features

The BISON Series of high temperature LED Bulkheads are design for the harshest Australian industrial environments.

Technical Specification:

Wattages : 45w

Emergency : 3hrs @ 8w

Power Supply : Inventronic 127VAC ~ 305VAC)

Input Protection : DM 6kV, CM 10kV

All-Around Protection : OVP, SCP, OTP

Power Factor : > 0.96

Colour Temperature: 5000K (also NatureSpec Amber available)

Colour Render Index : > 70

Beam Angle : 120 Degree Symmetrical

Ingress Rating - IP66 / 69K

Lens Impact rating: IK10 Borosilcate Glass (20 jules)

Hardware : Stainless Steel

Housing: High Pressure Die-Cast Aluminium

Warranty : 5 Years*

PART CODES: IQL-BISBH-5K or IQL-BISBH-5K-EM
